

**INTERSTATE MEDICAL LICENSURE
COMPACT COMMISSION
March 29, 2017
Conference Call Meeting**

The March 29, 2017, conference call meeting of the Interstate Medical Licensure Compact Commission was postponed. There had been conflicting times distributed for the call and some Commissioners dialed in at 1:00 PM EDT and others received notice of a 3:00 PM EDT meeting. Because there were rule changes that were scheduled to be reviewed and voted upon during this call, and to make sure the public was given adequate notice of any changes in the meeting times, Chairman Thomas announced that this call would be cancelled and another call would be scheduled with appropriate 30 day notice and correct call in time.

Roll Call was completed by Secretary Shepard (WV) for both call in times. A quorum was established at the 1:00 PM call with 16 Commissioners present. However, because of the discrepancies in the meeting time, no business was transacted.

Respectfully submitted,

Diana Shepard, CMBE
Commission Secretary
