VIII. EXECUTIVE DIRECTORS REPORT (Discussion/Action)

Larry J. Tarno, D.O., Executive Director Reported that there is a law that Senator Heck is trying to get passed regarding the licensing of PA-C instead of having a letter of permission. Because of this, we need to have a regulations meeting to control how we manage the requirements for licensure. We will have to have a workshop and then a final consideration of the regulations, then submitted to the LCB for them to put it all into proper language, then it will be passed into law. Need to have regulations in place within the next two to three months.

Legal Council was not present at this time because of misunderstanding with meeting schedules.
