VII. DISCUSSION/PROGRESS REPORT FROM MONITOR ANDREW KIM, D.O., REGARDING DANIEL ROYAL, D.O., IN ACCORDANCE WITH THE SETTLEMENT AGREEMENT DATED APRIL 15, 2015, (Discussion/For Possible Action), Ronald Hedger, D.O., President

Dr. Hedger introduced Dr. Kim to the Board. Dr. Kim stated that he has been corresponding with Dr. Royal since May 2015. A letter was sent out stating what was appropriate prescribing as far as his opioid prescriptions. Apparently Dr. Royal's practice is in transition and he has sold his practice to a medical group and he no longer wants to participate in pain management. In reviewing his PMP in June, he had 161 prescriptions for Oxycodone 15 or 30mgs and for September 2015, his number was reduced to 30 prescriptions. Dr. Royal told Dr. Kim that he wanted to focus on his homeopathic practice. Dr. Kim explained that Dr. Royal was not in total compliance, but was moving in that direction and he hoped to be fully transitioned out of pain management by the end of the year. Dr. Kim explained that he had given Dr. Royal up to eight weeks to come into compliance with the agreement. Both Ms. Longo and Dr. Anthony stated that the eight weeks per Dr. Kim's letter was not up until October 14, 2015. Mr. Ling stated that Board staff monitored Dr. Royal's prescriptions and that it is expected that the prescribing will be in compliance by the end of this. Mr. Ling asked that this agenda item be on the November Board meeting. Dr. Kim stated that he met with Dr. Royal on 10/08/15 and explained that he was meeting with the Board tonight and asked if Dr. Royal had anything he wanted Dr. Kim to tell the Board on his behalf. Dr. Royal stated that that day (10/08/15) would be his last day of writing prescriptions.

XVI. PUBLIC COMMENT

Ms. Davis asked if there was a question on the renewal as to if they are signed up for the PMP? Ms. Longo stated no, it has not and we will be discussing that at our next Board meeting. Dr. Havins asked on the SB244, it says that all the physicians who are able to write prescriptions shall take a training course and be able to access the PMP. He is not sure if that is this Board or the Pharmacy Board that is supposed to address this.

Dr. Anthony made a motion to adjourn the meeting, seconded by Dr. Cavenagh, and approved by the Board.

Approved at November 10, 2015 Board meeting.
