Dear Dr. Ladd:

On behalf of the Nevada State Board of Osteopathic Medicine, we regret to inform you that the Board has denied your application for permanent licensure in the State of Nevada effective September 25, 2008.

Your license was denied because question 13 was answered as no when the correct answer was yes. There were errors on your application that were deceptive on your part. You had criminal records related to sexual battery and a court order from Tennessee indicating unprofessional, unethical, or dishonorable conduct and gross malpractice which resulted in the surrendering of you license in the State of Tennessee. Additionally you are not allowed to be a Medicare or Medicaid provider.

If you have any questions, please do not hesitate to contact the Board office at 702-732-2147 and again welcome to Nevada.

Sincerely,

A handwritten signature in black ink, appearing to read "Dan Curtis".
