RE: In the Matter of the Complaint Against Susan Miko, D.O.  
Case No. AD 0808066

PLEASE TAKE NOTICE that at a public Board Meeting held on September 25, 2008, the above-mentioned physician ("Dr. Miko") and the Nevada State Board of Osteopathic Medicine (the "Board") settled this matter, arising from an administrative complaint filed by Investigating Board Member Daniel Curtis, D.O. An Emergency Hearing was noticed for August 13, 2008, at 7:00 p.m. for purposes of a summary suspension; however, it was vacated during to a settlement of the charges.

The settlement agreement required Dr. Miko to complete the medical education courses in Prescription Ethics and Addiction/Pain Management. Dr. Miko enrolled in the University of California, San Diego, Physicians Assessment & Clinical Evaluation Physician Prescribing Course held on October 27-29, 2008. Dr. Miko provided proof of her attendance at such courses.

The settlement agreement required Dr. Miko to refrain from writing prescriptions for her and family members and that, in the future, she will write prescriptions for only patients for whom she has created a medical record. The parties also agreed to bear their own fees and costs.
