OSTEOPATHIC MEDICINE

11                   **SETTLEMENT AGREEMENT AND ORDER**

12           The parties to the above-entitled action, the Nevada State Board of Osteopathic  
13   Medicine (hereinafter, the "BOARD") and JIM Y. WANG, D.O. (hereinafter, "RESPONDENT")  
14   hereby agree to resolve the instant Complaint pursuant to the following stipulations:

15           1.     RESPONDENT, JIM Y. WANG, D.O., at all times relevant hereto was licensed  
16   by the BOARD to practice medicine in the State of Nevada and the BOARD has jurisdiction  
17   over RESPONDENT'S license to practice medicine by virtue of his licensure.

18  
19           2.     On or about September 6, 2005, the instant Complaint was filed against  
20   RESPONDENT alleging six (6) counts of violations of NRS 633.131(f) for failure to document  
21   his prescription of Oxycontin (a Schedule II narcotic) for six (6) patients or notate in their  
22   medical records the factual justification for these prescriptions, six (6) counts of violations of  
23   NRS 633.131(f)(1) for excessive prescription of Oxycontin for six (6) patients, six (6) counts of  
24   violations of NRS 633.131(f)(2) for administering Oxycontin to six (6) patients without  
25   justification and, thereby posing a threat to the public health, and one (1) count of violation of  
26   NAC 633.350(9) for engaging in a pattern of conduct which demonstrates RESPONDENT'S  
27   unfitness to practice osteopathic medicine.  
28

1           3.     On or about September 7, 2005, a First Amended Complaint was filed  
2 containing identical content to the original Complaint described herein, but correcting certain  
3 erroneous exhibit references in its text.  Additionally, on or about September 7, 2005, a  
4 Request for Emergency Order of Summary Suspension was filed, whereby summary  
5 suspension of RESPONDENT'S license to practice Osteopathic Medicine was sought  
6 pursuant to NRS 633.591 since the allegations raised in the First Amended Complaint  
7 represented a real and significant threat to the public health, safety and welfare.  After  
8 considering this Request, the BOARD then issued an Emergency Order of Summary  
9 Suspension that same day.

10  
11           4.     On or about September 8, 2005, the First Amended Complaint and Emergency  
12 Order of Summary Suspension were served upon RESPONDENT.

13           5.     On or about October 7, 2005, RESPONDENT was served with Notice of Hearing  
14 as to the allegations within the First Amended Complaint referenced herein.

15           6.     RESPONDENT is aware of his rights under Chapters 633 and 233B of the  
16 Nevada Revised Statutes, including his right to a formal hearing and opportunity to defend  
17 against the charges contained therein, the right to confront and cross-examine witnesses  
18 against him, and the right to file a Petition for Judicial Review with the District Court in the  
19 State of Nevada for a review of any adverse decision that might be rendered following a  
20 hearing and subsequent appeals therefrom.

21  
22           7.     RESPONDENT understands that the BOARD is prepared to proceed to hearing  
23 on the merits of the First Amended Complaint at its earliest opportunity.

24           8.     RESPONDENT understands that if the BOARD hears the First Amended  
25 Complaint and finds that a violation has occurred, the BOARD may order any or all of the  
26 sanctions be imposed against him as set out in NRS 633.651, including revocation of  
27 RESPONDENT'S license to practice osteopathic medicine and the imposition of discipline  
28

1 against him in accordance therewith.

2 9. RESPONDENT for himself, his heirs, executors, administrators, successors and  
3 assigns, hereby releases, remises and forever discharges the State of Nevada, the BOARD,  
4 the Nevada Department of Justice / Office of the Attorney General and each of their members,  
5 agents and employees in their individual and representative capacities from any and all  
6 manner of actions, causes of actions, suits, debts, judgments, executions, claims and  
7 demands whatsoever known or unknown, in law and equity, that RESPONDENT here had,  
8 now has, may have or claim to have against any and all persons or entities named in this  
9 paragraph arising out of, or by reason of, these matters or any other matter relating thereto.  
10

11 10. In order to resolve this matter, RESPONDENT is entering into this Settlement  
12 Agreement and is waiving formal findings of fact and conclusions of law pursuant to the  
13 provisions of NRS 233B.121(5). RESPONDENT acknowledges that the allegations constitute  
14 grounds for disciplinary actions under Chapter 633 of the Nevada Revised Statutes.

15 11. RESPONDENT has reviewed the allegations and causes of action contained  
16 within the First Amended Complaint. RESPONDENT contends he can offer reasonable  
17 explanations for the conduct described therein, and further contends that these reasonable  
18 explanations could have the effect of diminishing his culpability for said conduct.  
19 Nevertheless, RESPONDENT accepts responsibility for his actions as available evidence  
20 suggests the possible violation of NRS 633.131 as contained within the First Amended  
21 Complaint.  
22

23 12. In exchange for the dismissal of these Counts and complete reinstatement of  
24 RESPONDENT'S license to practice osteopathic medicine and all privileges thereunder,  
25 RESPONDENT agrees to the following terms and conditions:  
26

19 13. This Settlement Agreement will be considered by the Board at a Special Meeting  
20 of the BOARD on February 9, 2006. In the event that the BOARD rejects this Settlement  
21 Agreement, the First Amended Complaint pending against RESPONDENT, Case No. AD-05-  
22 29-907, will proceed to hearing at a later date. Through this Settlement Agreement,  
23 RESPONDENT specifically waives the requirements of NAC 633.450(4), which requires that a

25  
26  
27  
28

1           14. In the event that the BOARD rejects this Settlement Agreement, this Agreement  
2 and all statements contained therein shall be null and void and inadmissible in any proceeding  
3 and the parties agree not to contend that the BOARD has been prejudiced or biased in any  
4 manner by consideration of this attempted resolution.

5           15. The parties agree that the counsel for the Investigating Board Member in this  
6 matter may appear before the BOARD, in open or closed session, outside the presence of  
7 RESPONDENT or his counsel, for the purposes of speaking in support of this agreement and  
8 answering questions that the members of the BOARD and its staff may have in connection  
9 with their deliberations on this matter.

10  
11           WHEREFORE, it is agreed that the Nevada State Board of Osteopathic Medicine,

13 waived by RESPONDENT and the BOARD, may issue the following ORDER:
