

**State of Nevada - Board of Osteopathic Medicine  
Application for Special License for Postgraduate Medical Education as a  
Resident or Intern Physician**

Dear Applicant:

This is the application for a special license to practice in Nevada while actively enrolled in an accredited postgraduate medical training program in the State of Nevada. **THIS IS NOT AN APPLICATION FOR FULL LICENSURE.**

Per NRS 633.401 – 633.411, a **SPECIAL LICENSE** may be issued for up to **ONE YEAR** to a person engaged in training in this state. This license **DOES NOT PERMIT** the private practice of osteopathic medicine outside the confines of the institution or its ancillary locations in which you are training. Further, **NO FEE** may be **billed or collected by you or for you** for **ANY SERVICES provided under this license**. To do so is a **FELONY** and violators **WILL** be prosecuted.

**Per AB275: An Applicant for a license who does not have a social security number must provide an alternative personally identifying number, including, without limitation, his or her individual taxpayer identification number, when completing an application for a license.**

A special license is good for up to one year, depending on the length of your study, and renewable upon certification of continued appointment to the accredited program you are training in. Certification from the program and the proper fee will suffice to renew the license. A training physician may apply for full licensure upon completion of 24 months of the accredited training program and with a written commitment and appointment to complete the residency program in this state. **NO CREDENTIALS FROM THIS APPLICATION WILL TRANSFER** to an application for a full license. The application for a full D.O. license is substantially more complicated and should be considered independent of this or any other application.

Normally, the staff of the Director of Medical Education (DME) for the program you are training in will provide you with this application and work with you to complete it. Unless otherwise advised by them, all information in connection with this application should be sent to them. **If you have questions regarding this application your first call should be to the program office, before contacting the Board.** Upon completion of your license application, submit it to your program office or to the Board, whichever you have been advised to do.

Sincerely,

Your Licensing Specialist ~
