Dr. Almaguer read the agenda item. Ms. Longo explained that Dr. DeShazo entered into a settlement agreement with the Board on December 9, 2010 due to inadequate medical records and excessive prescribing. He was suspended for one month and was required to cease treating chronic pain patients. Dr. DeShazo took CME's, was on probation for three years, and paid his fees in full. However in 2013, while still under probation, he violated some of the terms of his settlement agreement. The amended settlement agreement extended his probationary period for two more years. He had additional fees to pay and he was suspended for two months. As of December 31, 2015 Dr. DeShazo will have completed and met all the terms of both settlement agreements and will be in good standing. Ms. Longo explained that his PMP will be run again at the end of the month and reviewed, as long as there are no problems, then January 1, 2016 he will come off probation. A motion was made by Dr.
