**V. +CONSIDERATION OF APPLICATION FOR FULL LICENSURE FOR OSTEOPATHIC PHYSICIAN DAVID LAND, D.O.,(Personal Appearance), (Discussion/For Possible Action) NOTE: The Board may go into closed session pursuant to NRS 241.030 to move to a closed session because the discussion may involve this applicant’s character, alleged misconduct, professional competence, or similar items. Paul Mausling, D.O., Vice President**

Dr. Mausling asked if Dr. Land would like an open or closed meeting. Dr. Land opted for an open meeting. He explained his disciplinary action in Texas and medical malpractice circumstances. He offered the Board to have a license with conditions since he does not plan to conduct surgeries or practice any form of medicine. His only interest is to teach at a osteopathic medical school, where he currently has a conditional job offer. Ms. Bordelove stated that the statute NRS.633.3617 allows the Board to issue a license with conditions; however, the conditions are not reported to the National Practitioner Data Bank and not considered disciplinary action. After some discussion, the Board decided to further review Dr. Land’s application. Dr. Milne, therefore, asked that this item be tabled for a future meeting. Dr. Cavenagh made a motion to table the application pending further investigation and discussion about the licensing conditions; and, seconded by Dr. Mausling. The motion was approved.

**VI. CONDUCT ANNUAL REVIEW FOR EXECUTIVE DIRECTOR, INCLUDING POTENTIAL ADJUSTMENT TO SALARY, (Discussion/For Possible Action) Paul Mausling, D.O., Vice-President**

Dr. Mausling stated that he only received several comments from the Board. After discussion, the Board decided to allow for more time for Board members to submit their comments. Dr. Milne made a motion to table this item for the next Board Meeting; and, seconded by Mr. Nigam. The motion was approved by the Board.
