Licensee Contact Information

Licensees: Please provide the appropriate contact information (email, US mail or telephone) to the Board when updating mailing, home and practice addresses. This will ensure the Board can reach you when needed.

Note: The ONLY acceptable mailing address provided to the Board will be either a home (residence) address or a regularly checked PO Box. We have found that practice or license verification company addresses do not guarantee mail sent by the Board will be received.

BOARD/STAFF NEWS

Board: Dr. Mausling, Dr. Milne and Dr. Hedger were all approved in 2020 for reappointment to the Board for another four-year term.

Staff: We were sad to say goodbye to Tammy Sine, Board Licensing Specialist/Bookkeeper, who retired in December 2020, after working for the Board over 13 years. She provided the Board with a wealth of information and experience, and wish her the best in her retirement! Congratulations to Nikki Montano, who has been promoted to License Specialist to fill Ms. Sine’s position. The Board welcomes Kortney Kinzer as the new Administrative/License Assistant, as of February 1, 2021. Ms. Kinzer brings to the Board fifteen years of administrative public service.

Mission: The Nevada State Board of Osteopathic Medicine’s mission is to protect and safeguard the public by licensing and disciplining well-educated and competent Doctors of Osteopathy and Physician Assistants.

IMPORTANT REMINDERS

SUPERVISION OF PHYSICIAN ASSISTANTS: NOTE: ALL physician assistants MUST be supervised IN PERSON for the first 30 days of working with every new doctor of osteopath who they have a cooperating agreement with. The statute, NRS 633.469(3) states: A supervising osteopathic physician shall provide supervision to his or her physician assistant in person at all times during the first 30 days that the supervising osteopathic physician supervises the physician assistant. The provisions of this subsection do not apply to a federally qualified health center. Regulation NAC 633.289(3)(a) states: Except as otherwise provided in NRS 633.469, shall provide supervision in person at least once each month to the physician assistant.

VETERANS SERVICES

Recent legislation (AB 300) provides for the outreach, education and expansion of information to veterans for service-connected disabilities and diseases, along with providing a statewide information and referral information system to the public.

The information below is also available on the title page of the Board’s web site under “Veterans Services.”

Reporting Disciplinary/Malpractice Actions

Please Note: NRS 633.527 states all licensees are required to report all actions within 45 days of the action in which they are named. This includes disciplinary, malpractice, fulfillment and removal. The National Practitioner Data Bank (NPDB) reports to the Board all disciplinary, malpractice and positive settlement fulfillments and disciplinary action removals. Malpractice settlements involving minors (under 18 years old), must be approved by the courts. However, note the NPDB may receive settlement notification by an insurance carrier prior to court approval, starting the reporting timeline in our statute. Please communicate with your insurance company to comply with the reporting timeline.
